	Lumen Output Mains	320lm
	Emergency Lumen Output	180lm
	Viewing Distance	18m
	Test Button	No
	Operating Temperature	0-40°C
	Battery Type	LiFePO4 18650 3.2V 1,500mAh
	Charging Time	24hours
	Emergency Duration	3hours
	Colour Temperature	6,500K (Daylight)
	Weight	485g
	IP Rating	IP65
	Safety Class	Class 1

Cable entry hole 20mm

Installation hole N/A

RoHS
Compliant

LUMiLiFe is constantly developing and improving its products. For this reason, all product descriptions are intended as a general guide and we may change specifications time to time in the interest of product development, without prior notification or public announcement. Data in this sheet has been obtained in controlled experimental conditions. However, LUMiLiFe cannot accept any liability arising from the reliance on such data to the extent permitted by law.

NOTE: PowerMaster is transitioning to LUMiLiFe, during this time current stock may be delivered as PowerMaster.
